FROM MY FAMILY TO YOURS, *Happy Easter!*

GRANNY'S DEVEILED EGGS

Cut de-shelled eggs in half longwise. Put yolks in a bowl and mash them with a fork until fine and crumbly. Add a dash of garlic powder, dash of onion powder, a little pepper, a little sugar, a little salt, a dash of dill weed, and about a tablespoon of yellow mustard. Next, my secret ingredient is instead of using pickle relish, I use a food processor or chopper to pulse until finely chopped about a cup of Boar's Head Bread and Butter Sweet Pickle Slices (just the slices, none of the juice or spices in the jar). Add that to the mixture and mix well. Lastly, add Hellman's mayo to the mixture until it is the correct consistency, not too runny.

Fill eggs, sprinkle with paprika for color, & chill until served. Enjoy!!

**THIS IS (MY HUSBAND) KENNY'S MOM'S
RECIPE AND WE ALWAYS HAVE HER MAKE
THEM FOR EVERY HOLIDAY!**

Tips From My Kitchen:

If you use eggs that are too fresh they are very hard to peel. Bring eggs to a boil and cook about 10-12 minutes to make sure they are completely cooked. Drain hot water and cool off eggs in cold water with ice cubes added to it. Great Grandmother (Kenny's Grandma) had a trick- she would crack each egg on the side of the sink and put them back in the ice water again for about 5 minutes before peeling). Then the shells should slip right off under cold running water. Pat eggs dry.
