★ NASHVILLE PITTIE FOSTER APPLICATION

Thank you for your interest in fostering for Nashville PITTIE!

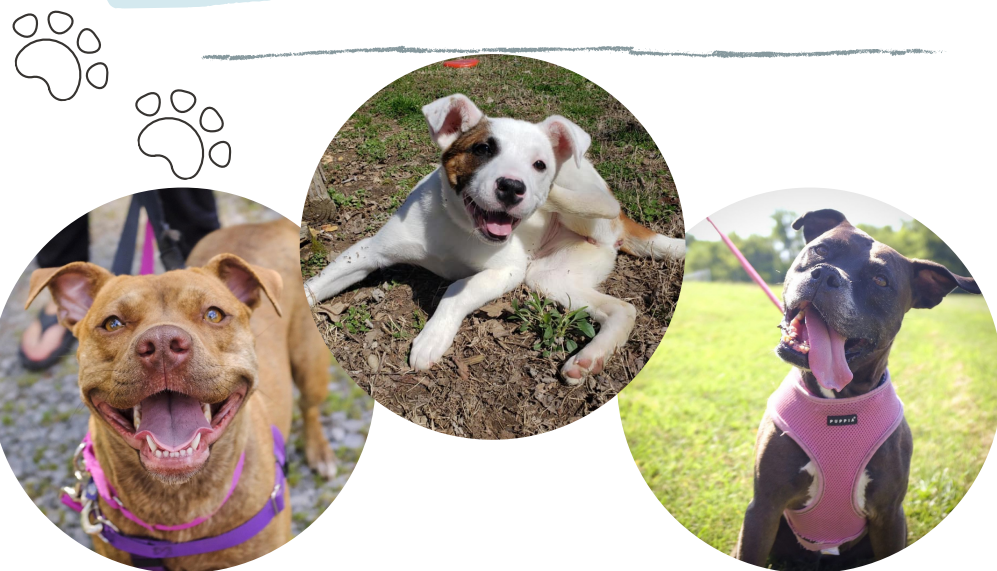

As we do not have a physical location, foster homes are vital to the success of our mission. It is ONLY because of our dedicated fosters that we can continue saving neglected, abandoned, and abused dogs and provide them with a safe place to recover while searching for their forever homes.

APPLY FOR MORE INFO:

Requirements to Foster:

- If you rent or your neighborhood has a HOA, please verify with management that you are allowed to have a PIT BULL and not just any type of dog. We will call and will require written permission from your landlord or HOA.
- ALL of your current animals MUST be spayed/neutered, up-to-date on all vaccinations, and on monthly preventatives (unless otherwise advised by a licensed veterinarian).
- A veterinary reference is required. As soon as possible, please provide your vet with approval to release information to Nashville PITTIE.
- An in-home visit with the pup and a representative of Nashville PITTIE is required before fostering is approved.

NASHVILLE HOME SELLER

Julie is a wonderful agent. Not only did she sell my house in 3 days but she took care of every detail.

When the buyer had glitches in their financing, she worked behind the scenes to make sure everything went smoothly.

I didn't have one moment of anxiety from the day my house was on the market to the day of closing.

I recommend her without reservation. In fact I already have!
