WATER

HOW TO MAKE A SIMMER POT:

- Fill a small saucepan with water and bring to a boil.
- Add the ingredients from your favorite recipe, continue to boil for a few minutes, then turn the heat down to simmer.
- Add water as needed, usually every 30 minutes or so.

NASHVILLE/MURFREESBORO ANGEL TREE

make a difference in your community this Christmas!

1

Social service agencies and schools refer families to The Salvation Army for help with Christmas. Participants are interviewed to verify that the family is truly in need.

2

We obtain the name of each child or special needs adults in the family and a list of desired Christmas gifts. Verification is made to ensure that the family is not receiving duplicate services from another agency.

3

Angel tags are printed for each individual and placed on Salvation Army Angel Trees at area malls and in local companies and organizations.

4

Generous Donors select Angels, purchase gifts, and return them to the Angel Tree by the given deadline on each tag.

5

Upon their return, the gifts are taken to a Salvation Army Christmas Distribution Center for pickup by the Angel families.

6

During the seven days prior to Christmas Eve, families pick up their gifts.
