# What your neighbors are saying:

Julie is an extremely confident, very experienced + knowledgeable real estate agent. She is punctual for her meetings + extremely thorough. She details exactly how she will showcase your house and walks you through the entire process. Not only did Julie list our house, but she sold it within 3 days - so incredible!

- Middle Tennessee Home Seller

Julie was great to work with. She knew all about the area + what houses were selling for. Julie was very helpful + took charge in a confident manner. My house sold in less than six weeks! I would **highly** recommend her.
